## CONNECTED CAM™

### Free SSD adapter and 1TB drive with JVC GY-HC500/550 cameras

For a limited time, JVC is offering a free-of-charge SSD adapter, plus a 1TB SSD media drive, with the purchase of every GY-HC500 or GY-HC550 camera – worth over €500! Featuring the latest generation codecs for the ultimate in image quality and performance, these CONNECTED CAM models can record to SSD media in a wide variety of formats, including 10-bit ProRes 422 at 4K resolution and 50/60p frame rates.

### How to claim your SSD adapter and 1TB media drive

The offer is valid for orders confirmed via an authorised JVC dealer within Europe, the Middle East or Africa, and can be claimed using [this form](#) while stocks last. The adapter is the JVC KA-MC100G, while the SSD drive is the WD Blue 1TB model.

### Handheld CONNECTED CAM models

Both the GY-HC500 and GY-HC550 camcorders feature a 1" 4K CMOS sensor and a newly-developed 20x lens with 3-ring control, resulting in excellent imaging performance and shooting flexibility. Both models offer live streaming, FTP file transfer and remote camera control over IP, with built-in wireless LAN and broadcast graphics on the GY-HC550 too.

**Class-leading set of IP connectivity functions, with live streaming, FTP file transfer and remote camera control over IP**

To claim your SSD adapter and 1TB drive, please fill in our [claim form](#). If you have any questions, please contact your JVC sales representative or drop us an email.

Terms & conditions: You must place an order for a new GY-HC500E or GY-HC550E from an authorised JVC Professional products dealer on or before 31 March 2021.
